No. 11.—The following resolution of the Government of India is republished:—

HOME DEPARTMENT.

PROCLAMATION.

Calcutta, the 15th November 1914.

No. 2815—1914.

Exemption.—In pursuance of the action contained in the Resolution of the Government of India in the Home Department, No. 2821-2842, dated the 16th December 1910, the Government of India is pleased to issue the following instructions with regard to certificates of identity.

3. Every native of India who contemplates proceeding out of India as a foreign resident is strongly urged before leaving, to furnish himself with an authoritative certificate of identity, in the form appended to this Resolution, signed by the head of the division (in a Presidency Town and in the case of Bangalore, the Commissioner of Towns) in the case of residents of British India, and by the Political Officer in that of residents of Native States. In the case of a student the certificate should be signed by the head of his institution or college and accompanied by the District Officer (in a Presidency Town and in the case of Bangalore, the Commissioner of Police) or Political Officer in the case of a student.

Applicants for assistance by destitute Indians who desire repatriation and by students who, owing to interrupted circumstances, are unable to complete their course of education, cannot be dealt with satisfactorily unless the parties are in a position to produce evidence of identity. The possession of a certificate of identity will be specially useful to young men of good family, as it may enable the Secretary of State to obtain for them social and other advantages.

Those who are desirous, however, of obtaining a passport when a passport will be necessary are advised to furnish themselves with such a document also before leaving India, inasmuch as, in addition to, a certificate of identity. It should be remembered that no person is entitled to a passport, as of right, on the ground that he is a British subject, and the possession of such a certificate of identity, taken as evidence by documentary evidence of responsibility is not sufficient to entitle him to a passport.

Form of Certificate of Identity.

1. Name of applicant.....
2. Father's name and caste.....
3. Residence.....
4. Age of applicant.....
5. * Nationality of applicant.....
6. Social or pecuniary status of father (or guardian).....
7. Date of probable departure of applicant from India.....
8. Object of applicant's visit to England (Europe).....

Signature of District Officer (in a Presidency Town, the Commissioner of Police) or Political Officer, or head of school or college.....

And.....

* (i.e., whether a British subject by birth or by naturalisation (in a subject of a Native State).

† Certificates of the District Officer (Political Officer) should be obtained on certificates signed by heads of schools or colleges.

Notes.—Holders of certificates of identity intending to apply subsequently to England to elsewhere for a passport to visit a foreign country are warned that no person is entitled to a passport as of right on the sole ground that he is a British subject. The possession of a certificate of identity, however, will be a valuable asset in the case of a person of a passport, unless it is accompanied by documentary evidence of responsibility, signed by a local Government or other authority competent to issue passports in India, certifying that the holder is fit and proper person to receive a passport.

35. Where a registering authority, at any time after a heavy motor-vehicle has been registered, has reason to believe that it has ceased to comply with the requirements of any of the special rules for heavy motor-vehicles, such registering authority may after notice to the registered owner, fix up the name in a public place of such heavy motor-vehicle until such time as the vehicle are notified to his satisfaction.

Memoranda—

Report of the Select Committee on the Madras District Municipalities (Amendment) Bill, 1915, with the Bill as amended by the Committee.—(General, (Madras), (Mysore), (Malabar), (Sivamangalam) and (Dindigul).)

Bill introduced into the Council of the Governor of Fort St. George for making Laws and Regulations.

The following Report of the Select Committee on the Bill for the further amendment of the Madras District Municipalities Act of 1894, together with the Bill as amended by the Committee, is published for general information :—

To

THE HONOURABLE THE COUNCIL OF THE GOVERNOR OF FORT ST. GEORGE FOR MAKING LAWS AND REGULATIONS.

We, the undersigned Members of the Select Committee appointed to consider the Madras District Municipalities (Amendment) Bill, 1915, have the honour to submit the following report to the Council.

2. We have received and considered representations from M.R. Ry. K. G. Srinivas Mudaliyar Ayyangar, a mill-owner in Mannargudi, Tanjavur district, and from the Managing Director of another mill in Mannargudi, protesting against clause 139 (B) (4) of the Bill; also telegrams from Tanjavur and Nagapattinam mill-owners, praying for postponement of the Bill.

3. We have inserted provisions in the Bill, in order to make it clear that the liabilities imposed by clause 139-A are independent of those imposed by section 140 of the existing Act.

4. We have added a sub-clause [139-A (4)], requiring on municipal councils the duty of arriving at a decision within three months of the date of receipt of applications. [Compare section 139, sub-sections (3) and (5) of the existing Act.]

5 We have re-drafted clause 189-B, so as to empower municipal councils to take steps to prevent noise at night in existing mills, as well as in mills yet to be erected. We have at the same time safeguarded the interests of mill-owners—

(1) by making it incumbent on municipal councils to issue directions for abatement in the first instance and permitting them to restrict the hours of work or prohibit the use of any particular kind of fuel only in the last resort,

(2) by giving the Governor in Council the power of revision in regard to the proceedings of municipal councils

6. The other alterations are verbal. In re-casting the phraseology of clause 189-A, we have adopted as our model section 180 of the existing Act read with section 465 of the Calcutta Municipal Act, 1922.
